Fig 2.

Fixed Height 02122 Shown.

On receipt of your new ASM Stackwell Commode please check for signs of damage, report any defects to ASM immediately. The ASM Stackwell Commode comes fully assembled and ready for use once the commode pot is fitted. To fit the commode pot and adjust the height please follow the instructions below:

- 1) Remove all packaging and lift the toilet seat, fit the commode pot so that it rests on the two support brackets, ensuring that it sits centrally and is fully supported.
- 2) To remove the pot, simply lift the toilet seat once more and use the attached moulded handle to lift. (See Fig 1). Please ensure the pot does not become over full as this may lead to spillage.
- 3) To adjust the legs place the commode on it's side and remove the pin clips from the two legs. Slide the adjustable legs to the required position and refit the clips, ensuring that both legs are adjusted equally. (See Fig 2). You may have to twist the legs slightly to locate the clips.
- 4) Turn the commode over & repeat for the other two adjustable legs.
- 5) Place the commode upright on it's feet on a level surface and check the stability & that it does not rock, if it does re-adjust the legs.
- 6) Periodic checks of all screws & fittings is recommended, replace if required.
- 7) To clean the Stackwell Commode, a mild proprietary soap and / or disinfectant may be used. After cleaning dry with a soft clean cloth.
